In addition, if the dog originally entered in Jr. Showmanship was an additional entry, and the dog being substituted is not otherwise entered in the show, the Junior Showmanship Only fee applies.

If you are the owner/exhibitor of a dog registered with a foreign registry (not yet dual registered with AKC) please review the eligibility requirements in The Rules Applying to Dog Shows, chapter 11 section 1.

The dog show rules are posted on the AKC Web site at: http://images.akc.org/pdf/rulebooks/RREGS3.pdf Most important to note are the following:

1. Dogs must be individually registered with the American Kennel Club by the day of the event to be eligible for exhibit in the Bred by Exhibitor class.
2. Dogs are eligible to compete in AKC events using the foreign registration for a period of 30 days. That 30-day period begins with the date of first exhibit, regardless of whether the dog earned any points or awards. To continue to compete in AKC events beyond the initial 30-day period the dog must be either individually AKC registered or by the date of the event have been granted an extension to exhibit using the foreign registration. The owner or agent can request an extension using the form found on the AKC Web site at: http://images.akc.org/pdf/extenap.pdf

If you have questions or need assistance with registration or obtaining an extension, please contact the AKC Special Services Department at: awards@akc.org or (919) 233-9767 (followed by selecting option 4).

Biography of Sue S. Geesler

Sue's love for Doberman Pinschers began with a backyard bred male that crawled out from under a corn crib in North Carolina. He was a good ole dog and later became a great stepdad to some pups. He ultimately convinced her to get a show quality animal thus Hands Rhea became part of the Backacher (later Campio) clan. Through classes at the Durham Kennel club Sue was bitten by the show bug. After training and showing PD, as she was called, Sue went on to become an Obedience and Confirmation Trainer at the Durham Kennel Club. The more experience she gained with dogs the more active she became. She was a popular Match and Rare Breed Judge in the North and South Carolina area for some time. In addition to Doberman's, she became involved in Whippets and Greyhounds for conformation shows and Lure coursing. She also became involved with the Finnish Spitz Club of America in showing our own Finns and in the operation of the Club where she was Vice-President for a while. She traveled to Finland and England to visit with Finnish Spitz breeders and show Judges to further her knowledge since this was a relatively new breed in the U.S. Later, she was also involved with the new addition to America, the Swedish Vallhund, proudly showing our male to multiple Best of Breed wins and two Best in show wins in Rare Breed and specialty shows. She also decided to become more involved in showing dogs so started showing for other people in the club and eventually branched out and became an All-Breed Professional handler until 1996. In 1996 we moved to Cincinnati, Ohio where she continued her teaching and judging local matches and Rare Breed shows. She became licensed by the National Kennel Club and judged a Doberman Specialty show in Indiana. The final member of our Campio canine family was an Australian Shepard that Sue enjoyed showing in Obedience and Agility.

The dog world lost a very enthusiastic member on December 30, 2014

Day parking will be $5.00 payable at the gate. Exhibitors will be responsible for always keeping the area around their vehicle and grooming area clean. Handicapped Parking is limited and is available on a first come, first served basis.

MOTOR HOME PARKING: All motor homes/trailer units will be charged this fee whether a hookup is utilized or not. One additional parking pass will be issued at no charge for a towed vehicle; this pass is not transferable to another vehicle. Please be considerate of the amount of space each unit takes. **ELECTRIC MAY NOT BE PIGGY BACKED.** The electrical, water & limited sewer hookups throughout the park are controlled by the North Florida Fairgrounds. The clubs cannot guarantee the functionality or capacity of the available outlets but will make every effort to ensure that all work. To maximize access to water where possible, the clubs suggest the use of water Ts to permit sharing of spigots. Water Ts are not furnished by the clubs; exhibitors must supply their own. It is highly recommended that motor homes bring at least 100 feet of water hose and 100 feet of heavy-duty electrical cord. Electrical adaptors may be needed for use of some hookups.

Note: Leveling blocks must be used under jacks to avoid damage to underground water lines. A Dump Station is available on the grounds at the east end of the midway.

Shower facilities available. **NO BATHING DOGS IN SHOWERS!!!**

Exhibitors will be responsible for cleaning up their parking areas. When leaving the fairgrounds, please leave your trash in closed garbage bags at your parking site.

Damage to the grounds will be the financial responsibility of the vehicle owner and/or operator.

LIMITED CRATING is available at ringside in buildings #2 & #4. Crates must be stacked wherever possible and must be removed immediately after completion of that breed's judging.

GROOMING: There will be a 15 minute loading and unloading time limit for vehicles in front. The clubs will require that you leave your vehicle running, lights on and unlocked. If the 15 minute limit is not observed, the vehicle owner risks the vehicle being moved by a club representative or towing. This is necessary for complying with Fire Marshal regulations. Buildings #3 & #6 are the designated grooming buildings. ALL INSIDE grooming must be done in buildings #3 & #6. Electricity is available there, but no water. Please conserve grooming space or risk being moved or removed entirely. **See Grooming Reservation Form in this Premium List.**

Dogs may be left in the grooming building overnight; however the grooming building will not be locked. **ALL CRATES MUST BE IDENTIFIED WITH NAME OF OWNER/HANDLER**. All aisles must be left clear. Exhibitors are responsible for keeping their area clean and trash properly disposed of in trash cans.

FOOD SERVICE: Concessions will be available on the grounds.

The Event Committee reserves the right to amend these rules and regulations as the situation and conditions dictate. Their decisions will be binding on all concerned.

THESE CLUBS DO NOT AGREE TO ARBITRATE CLAIMS AS SET FORTH ON THE OFFICIAL AKC ENTRY FORM FOR THESE EVENTS.

Win points by participating in a choice of 9 different events at this year's show. To participate, you will need to obtain a tally sheet for each canine participant at the Info Booth. Tally sheets have to be turned in by 9:00 am Sunday, February 14, 2027 to the Info Booth. Points can be earned Friday, February 12th to Saturday, February 13th. You may enter as many of the events as you would like. Points will be tallied up from the participants' results and will be multiplied by the number of different events qualified. For example, if you qualified in Scent Work, Agility and Fast CAT we would multiply your point total by 3. Is your dog a Canine All-Star?

THERE WILL BE PRIZES: We will present rosettes to the Top 5 Competitors.

AMERICAN KENNEL CLUB®

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

Everything We Do, We Do for Dogs.
